    <h1>About Us</h1>
    <p>
      Cars Dealership is a national car retailer with dealer branches across the United States.
      This site was built as the Full Stack Application Development Capstone project: a Django
      backend embedding a React single-page app, a Node.js/MongoDB microservice for dealers and
      reviews, and a Flask microservice for review sentiment analysis.
    </p>

## Task 21: dealership\_review\_submission screenshot - review form before submit (1 point)

The screenshot shows a web browser window with the address bar displaying `http://localhost:8000/postreview/17`. The browser's title bar shows three colored window control buttons (red, yellow, green). The website's header is dark blue with the text "Cars Dealership" on the left and navigation links "Home", "About Us", "Contact Us", "Hi, janedoe", and "Logout" on the right.

The main content area is light gray and features a section titled "Post a Review". Below this title is a white form box containing the following elements:

- A label "Your Name" above a text input field containing "Jane Doe".
- A label "Review" above a text area containing the text "The sales team was fast, friendly, and very transparent about pricing." with a small icon in the bottom right corner.
- A label "Car Make / Model" above a dropdown menu showing "Toyota Camry" with a downward arrow.
- A label "Car Year" above a dropdown menu showing "2022" with a small icon in the bottom right corner.
- A blue button labeled "Post Review" at the bottom of the form.

At the bottom of the page, centered, is the copyright notice: "© 2026 Cars Dealership — Full Stack Application Development Capstone Project".

### Best Toyota Dealer

500 Prairie Ave, Wichita, Kansas 67202

[Review Dealer](#)

#### Reviews

Fantastic service, the whole team went above and beyond to help me find the right Camry.

**Nguyen Van A** — Toyota Camry (2022)

Sentiment: positive

Average experience, the paperwork took much longer than expected.

**Tran Thi B** — Toyota Corolla (2023)

Sentiment: neutral

Terrible experience, the sales rep was rude and the car had hidden damage.

**John Smith** — Toyota RAV4 (2023)

Sentiment: negative
